

AMIT KE CIRCUITS
Training Audit Sheet

Prepared with Amit - Training & LMS

- [] Business goals linked to training are clear
- [] Roles and required capabilities are mapped
- [] Current skill gaps are documented
- [] Onboarding content is consistent and current
- [] Learning is available in the flow of work
- [] Completion and assessment are tracked
- [] Managers reinforce learning after sessions
- [] Outcomes are measured beyond attendance

Starter resource. Design the learning system with the specialist.
